LaserFiche Instructions

Status-Only Review and Re-Appointment

NOTE: to activate and track the progress of the annual reviews and re-appointments you will be working in the ***Activity Reporting** area of the directory tree. However, any documents generated by submission of the web Activity Report form will be stored in the faculty member’s permanent dossier in the Permanent Record area of the directory tree. These are the dossiers under the **Other Academic** folder; they have a yellow bar next to them. If you are unfamiliar with the directory tree structure, please contact the Discovery Commons for training before continuing with any activity in LaserFiche.

Any documents in the ***Activity Reporting** folders (folders in the Activity Reporting section of the directory tree which have a pink bar associated with them) are shortcuts to the relevant documents in the Permanent Record area. You will see the activity reporting documents in the pink-barred folders during the review process; however, please do not store anything in the pink-barred folders, as the pink-barred folders and their contents are deleted at the end of every activity reporting cycle.

1. View Faculty Eligible for Annual Review and/or Re-Appointment

- i. In the directory tree (the left side bar), go to:
Department Name >> *Activity Reporting >> Other Academic.
- ii. Highlight the Other Academic folder under *Activity Reporting and note the pink-barred folders that appear in the middle panel. These pink-barred folders have been generated from the Permanent Record area and represent all the status-only faculty eligible for annual review and/or re-appointment.
- iii. Ensure the column headers are displayed correctly. *See Appendix A: Loading & Configuring Columns.*

When the columns are displayed correctly, you will note that the following three field values have been filled in automatically:

- **Activity Report Status SO** field value will default to “1. Pending”.
- **Review-Re-Appointment Status** field value will default to either:
 - a. “Pending Annual Review” (if re-appointment is not required this year).
 - b. “Pending Re-Appointment” (if re-appointment is required this year as was determined by the end date in the Candidate Information metadata template). Only *pink-barred folders*

with this Pending Re-Appointment status will contain a **Letter of Offer Template** to be used if, after review, the DAC approves the re-appointment.

- **Academic Appointment Level** field value will show as either Primary or Concurrent.

Example of Directory Tree and Column Headings:

2. Send Activity Report Request to Faculty Primary to your Department

The Department is engaging their status-only faculty to participate in the completion of an academic activity report for the purpose of either their annual review or their re-appointment. Each faculty will receive an email request identifying (based on end date in LaserFiche) whether they are being considered for review or for re-appointment, instructing them on how to fill out the activity report web form and informing them whether or not they are required to submit additional documentation for their primary department. *See Appendix D: Email Templates.*

- Sort on the column **Academic Appointment Level**, by clicking on the column header. (To ensure that the correct columns are displayed. *See Appendix A: Loading & Configuring Columns.*)
- Highlight individually, or in bulk, those pink-barred folders which are Primary to your department. When one or more folders are selected, the Activity Report – Status Only template associated

with those folders will appear in the right side bar. If you can't see it, make sure the Fields tab is selected in the right side bar. If you have selected many pink-barred folders it may take a minute for this template to appear.

- iii. Change the entry in the **Activity Report Status SO** field to "2. Send Request for Activity Report" and click Save.
- iv. Refresh your screen and take note that the **Activity Report Status SO** field has changed to "3. Waiting for Response".
- v. Wait for the faculty to respond.

Reminder: If you are doing this for many folders at a time, note that it may take LaserFiche several minutes to compute them all.

Notifications: This action will send one of two possible emails to the faculty members holding a primary status-only appointment in your department. The email advises them that an Activity Report is due either for the purpose of Annual Review or for Re-appointment. *See Appendix D: Email Templates.* This email gives all the information required to fill in the online activity report, attach a document (if applicable), and/or decline re-appointment (if applicable). As the department coordinator, you will receive a copy of this email.

Faculty holding a concurrent status-only appointment to your department will receive an email request only from the department in which they hold their primary status-only appointment. The concurrent department however will receive a copy of this email and a copy of the web form if it is submitted.

The **Activity Report Status SO** field for the pink-barred folder in the department in which a faculty member holds a concurrent appointment will also change to "3. Waiting for Response" once the primary department sends the request.

The successful submission of an Activity Report by the faculty member will result in the following:

- a. The **Activity Report Status SO** field value will change to "4. Activity Report Received".
- b. Data collected from the web form will show in the columns beside each pink-barred folder.
- c. A .pdf document of the activity report will be created and stored in the permanent dossier (yellow-barred folder) for this faculty member.
- d. Any required attachments to the form (if received) will also be stored in the permanent dossier.
- e. Shortcuts to the activity report .pdf and, if present, any extra document(s), will be created in the pink-barred activity reporting folder. This will allow the Department Appointments Committee (DAC) to view the activity report through the Read-Only Portal.
- f. The faculty member will receive an email acknowledging the receipt of their activity report with a copy attached.

Concurrent

When a faculty member successfully submits their activity report web form, all the events described in (a– f), immediately above, will occur for the faculty member’s pink-barred dossier and the permanent dossier **in the concurrent department**.

The successful submission of the web form Declining Re-Appointment will result in the following:

- a. The **Activity Report Status SO** field value will change to “5. Activity Report Not Received”.
- b. The **Review-ReAppointment Status** field value will change to “ReAppointment Declined”.
- c. A .pdf document will be created acknowledging the faculty member’s decision to decline re-appointment and will be stored in the permanent dossier (yellow-barred folder) for this faculty member.
- d. The permanent dossier and all of its contents will be moved automatically from the permanent record area into the **Archives** folder thereby rendering it inactive. It will no longer be eligible for future review or re-appointment processes in LaserFiche.
- e. The faculty member will receive an email acknowledging the receipt of their decision to decline re-appointment with a copy of the decision to decline attached.

Concurrent

When a faculty member successfully submits a web form declining re-appointment, all the events described in (a– e), immediately above, will occur for the faculty member’s pink-barred folder and the permanent dossier **in the concurrent department**.

2a. Send an Activity Report Request Reminder and/or Correct an Email Address

If you do not see a change in the value of the **Activity Report Status SO** field for those faculty *Primary* to your department, and it continues to show “3. Waiting for Response”, you may re-send the email by changing the **Activity Report Status SO** field value back to “2. Send Request for Activity Report” and clicking Save. Again, the **Activity Report Status SO** field value will automatically change to “3. Waiting for Response”.

This can also be done if you would like to re-send the email to a faculty member who has lost the email, or needs it sent to a different email address.

Note: If an email address needs correcting, correct it in the template of the permanent dossier (yellow-barred folder) and click Save BEFORE re-setting the **Activity Report Status SO** field value back to “2. Send Request for Activity Report” in the pink-barred folder.

It is the responsibility of the primary department to send the activity report request. If you, as the **concurrent department**, notice that the faculty member has yet to submit their report and the submission deadline is approaching, please connect with the primary department to ask that they re-send the request.

3. How to Review Activity Report Responses

Faculty are required to submit their activity reports by a deadline set by the Faculty of Medicine. Following the deadline, the department will ideally have received activity reports from each of their faculty; however, this is not a guarantee. The DAC and Department Chair are responsible for reviewing all submissions and assessing the status of those who did not submit to determine their eligibility to maintain a status-only academic appointment in their department.

3a. Review Status Fields

At this stage in the process, the following values for the **Activity Report Status SO** field may be present:

- a. "3. Waiting for Response" – The Department has sent email requests asking the faculty member to complete the activity report and submission is still pending.
- b. "4. Activity Report Received" – The faculty member has completed the activity report and the activity report is ready for review.
- c. "5. Activity Report Not Received" – This value is set automatically by LaserFiche if the faculty member submits a web form declining re-appointment. Alternately, the department coordinator may select this field value themselves if they wish to record the non-submission of an activity report for any reason.

In addition, each pink-barred folder will carry a value for the **Annual Review/ReAppointment Status** field of either:

- d. "Pending Annual Review" – the initial default value when the appointment end date is not within the current re-appointment period.
- e. "Pending Re-Appointment" – the initial default value when the appointment end date is between **June 30th of the current year to June 29th of the next year**.
- f. "Re-Appointment Declined" – if the faculty member filled out the web form to decline re-appointment.

These statuses differentiate between the faculty who require annual review, those who require re-appointment, and those choosing to discontinue their appointment.

3b. Viewing Responses

The Department Coordinator, the Department Appointments Committee (DAC), and/or the Department Chair may view all the faculty responses in any of the following three ways:

❖ Read-only Portal

The DAC may review the activity reports and any documents attached to the web form by logging into the Read-Only Portal.

URL: <https://documents.med.utoronto.ca/appointments>

User Name: dacxxx (where xxx = the department's organizational unit)

Password: "password" (unless changed by department)

To access folders:

- i. Login.
- ii. Click Browse.
- iii. Select: your Department.
- iv. Select: *Activity Reporting.
- v. Select: Other Academic – to view the individual pink-barred folders.

**See Appendix B: Configuring Columns in the Read-Only Portal*

Note: If your Chair or your DAC would like to use this method to view the individual activity report .pdf documents we encourage you to review and revise the column configuration to best suit the needs of the DAC. If they do not appear to have the same view as the department coordinator, please provide DAC members with in the instructions in Appendix B.

❖ Excel Spreadsheet

The data collected by the activity report web forms can be exported collectively to an Excel spreadsheet. Edit the spreadsheet if desirable, outside of LaserFiche, to present the data in a user-friendly manner. You may want to add an extra column to the spreadsheet so you or the reviewer can record the decision on eligibility for a continued appointment.

Note: LaserFiche can export to Excel (Generate Report) an exact replica of what is seen in the columns displayed beside the pink-barred folders. Please make sure to display your columns appropriately before generating the Excel report.

To Export Data to Excel (Generate Report):

- i. Double check that all the activity report columns are visible next to the pink-barred folders in the centre panel. *See Appendix A: Loading & Configuring Columns*
- ii. Back in the centre panel, with the columns set up as required, select all the dossiers.
- iii. Click the three vertical dots in the menu bar at the upper right of the screen and select Generate Report.

- iv. Beside Download, select the Tab option.
- v. Uncheck the Include subfolders box.
- vi. Double-check that the correct column headings are still in the Selected box.
- vii. Click Okay.
- viii. Open with Microsoft Excel.
- ix. Once you have a separate Excel file, edit the file, including the column headings, to present the data in a user-friendly format for DAC review. Incorporate a way in which yourself, or the DAC, can record the decision on whether to re-appoint. For example, you may add a column to the spreadsheet where they can record their decision
- x. Send the document to DAC members who prefer to review the data in this manner.

❖ Email Documents Directly from Individual Faculty Dossiers

The .pdf document created by the submission of an online activity report form, and any document attached to that form, are stored in the faculty member's permanent dossier (yellow-barred folder). These documents can be attached to an outgoing email directly from the LaserFiche Repository and sent to a DAC member or to a Chair.

- i. Locate the faculty member's permanent dossier (yellow-barred folder) in the Permanent Record area.
- ii. Double click on the **Activity Reports** subfolder to open it and display the documents inside in the centre panel.
- iii. To highlight them, put a check mark beside the documents you wish to attach to an outgoing email.
- iv. Right-click on the highlighted area, and select **Email** from the drop down menu that appears.
- v. In the Email Basket box ensure that:
 - a. Beside **Send As** the **Files option** is selected.
 - b. The **Use Microsoft Outlook to manually send the email** is selected.
- vi. Click Send
- vii. Select Open with Microsoft Outlook and click OK

Email Basket

General Password

Name	Send as Pages	Pages	Page Range	Clear All
Albatross_Allen_99920150015_Act...	<input type="checkbox"/>	0		✕
JobDescription_Generic	<input type="checkbox"/>	1	1	✕
Profile_Generic	<input type="checkbox"/>	1	1	✕

These documents have been selected to be sent via email. Enter page numbers and/or page ranges separated by commas. Example, 1,3,5-12.

Send as: Files

Email: Use Microsoft Outlook to manually send the email message

Send Close

Microsoft Outlook will create an outgoing email with the selected documents attached. Add the appropriate email addresses, subject line and body text and send the email.

4. DAC and Department Chair Review Outcomes

The Department Coordinator should collect all decisions made by the DAC and Department Chair on whether to continue the faculty's academic appointment with the department. All decisions must be recorded in LaserFiche by the Department Coordinator.

4a. Annual Review

The Department Coordinator will change the **Review-ReAppointment Status** field to either of the following values, depending on the circumstances:

- i. "Annual Review Complete with Report".
- ii. "Annual Review Complete without Report".

Successful Annual Review:

If it is determined that the faculty member continues to meet the eligibility criteria for the appointment, and if an activity report was received, then the **Review-ReAppointment Status** field should be changed to "Annual Review Complete with Report". This completes the annual review process and no further action is required.

Alternative: If no activity report was received, but the Department Chair confirmed the faculty's eligibility through other methods, the **Review-ReAppointment Status** field may be changed to "Annual Review Complete without Report".

Unsuccessful Annual Review:

If it is determined that the faculty no longer meets the eligibility criteria for the appointment, then the **Department must contact the faculty in writing as soon as possible notifying them that their appointment will be ended before the currently recorded end date.** In addition, the primary department is responsible for notifying any departments in which the faculty holds a concurrent appointment(s). [See HR Portal for a Letter of Discontinuation template.](#)

Important: The letter to the faculty member notifying them that their appointment will be ended prematurely must be uploaded to their LaserFiche dossier in the Permanent Record Area (yellow-barred folder) and their candidate's metadata must be updated to include the new end date. The dossier should then be moved (dragged) to the **Archives** folder. There is no status for this premature ending of an appointment in the Activity Reporting pink-barred folders. Please ensure to record the end of the appointment in all University systems including HRIS and Department websites.

4b.Re-Appointment Review

Recommended for Re-Appointment:

If the Department Chair supports the re-appointment of the faculty to another term, the pink-barred activity reporting folder must be made available (*in LaserFiche*) to Human Resources for review. [Please go to Section 5 \(Preparing a Pink-barred Folder for Re-appointment Review by Human Resources\)](#). Only after a pink-barred folder has been prepared for HR review will the department coordinator change the **Review-ReAppointment Status** field to "Re-Appointment Approved Pending HR Review".

Re-Appointment Declined:

If a faculty member declines the opportunity for re-appointment (either by submitting the declination web form or by having the department coordinator make that selection), that status is recorded and no further action in LaserFiche is required by the Department. When this status is set the permanent LaserFiche dossier (yellow-barred folder) is automatically moved to Archives and will no longer be considered for future review/re-appointment processes.

Refused Re-Appointment:

If it is the Department Chair who does not support the re-appointment of the faculty member, or they no longer meet the eligibility criteria for the appointment, the **Department must contact the faculty in writing as soon as possible and no later than June 30th of the current year.** [See HR Portal for a Letter of Discontinuation template.](#)

The Department Coordinator will change the **Review-ReAppointment Status** field to "Re-Appointment Refused by DAC". This will automatically move the faculty member's permanent dossier (yellow-barred folder) into the **Archives** area of LaserFiche. The notification letter to the faculty member must be

uploaded to their permanent dossier. This can be done either when it is still in the permanent record area or after it has been moved to **Archives**.

Important: If the faculty member declines re-appointment or if the Chair refuses to re-appoint, please ensure to record the end of appointment in all University systems including HRIS and Department websites. In addition, the primary department is responsible for notifying any departments in which the faculty holds a concurrent appointment(s).

5. Preparing the Pink-barred Folder for Re-appointment Review by Human Resources

Note: This section applies only to those faculty members scheduled for re-appointment.

- i. After the Chair or DAC has approved a faculty member for re-appointment and BEFORE the **Review-ReAppointment Status** field is changed to reflect that approval, the following two actions must occur:
 - a. The pink-barred folder must contain a Letter of Offer. This Letter of Offer should be created from the Letter of Offer template present in the pink-barred folders of all faculty requiring re-appointment. This letter, when created, will automatically be given a file name of:
lastname_firstname_appointmentID_Letter of Offer.
Please do not change this file name.

Please see Appendix C: Creating Letters of Offer.
 - b. The **Primary Employer Confirmed** field value, in the metadata for the pink-barred folder, must be changed to 'Yes'. (This assumes the department coordinator has a statement from the primary employer confirming that this is, in fact, true).

New! If the department holding the primary appointment for a faculty member sets the **Primary Employer Confirmed** field value to 'Yes', the field value in the pink-barred folder of a department holding a concurrent appointment for this faculty member will be updated automatically. The reverse is not true: A concurrent department can confirm the primary employer and update this field but the update will not be reflected at the primary department – the primary department must confirm on their own.

Note: If *a* or *b* above are not accomplished, changing the **Review-ReAppointment Status** field to “ReAppointment Approved Pending HR Review” will fail to proceed. An email will alert the Department Coordinator that this has failed and the **Review-ReAppointment Status** field value will be returned to “Pending ReAppointment”.

- ii. When *a* and *b* above are completed, change the **Review-ReAppointment Status** field to “ReAppointment Approved Pending HR Review”. This action makes the pink-barred folder visible to Human Resources and adds a grey-barred **Human Resources Review** template to the pink-barred folder.

If you would like to include a message to Human Resources, you may write a department comment in the grey-barred **Human Resources Review** template. Human Resources can now see the pink-barred folder and all its contents and will be able to read any comments in the Human Resources Review template whether they are added now or later.

To access the grey-barred **Human Resources Review** template, put a check box in the box to the left of it - the template will appear in the right-side panel.

6. Human Resources Review

Human Resources will now review the contents of the pink-barred activity reporting folder. If they approve the submission or if they have any questions, they will use LaserFiche to correspond with you in the method described below.

The grey-barred Human Resources Review template (inside the pink-barred activity reporting folder) allows HR to make one of two possible selections in the **HR Approval Status** field:

- I. “Incomplete: Return to Dept. Coord.”
- II. “HR Approved”

6a. Incomplete: Return to Dept. Coord.

If HR has questions about the appointment, they will write a note in the **HR Comment** field and select ‘Incomplete: Return to Dept Coord’ in the **HR Approval Status** field. This results in two actions being taken by LaserFiche:

- a. An email is sent to the Department Coordinator alerting them to an issue requiring resolution relating to this re-appointment. This email contains a copy of the content of the **HR Comment** field but the Department Coordinator may read the comments directly in the grey-barred template as well.
- b. In the metadata for the pink-barred folder, the **Review-ReAppointment Status** field reverts to “Pending ReAppointment”.

Address the concerns or make the changes requested by HR and change the **Review-ReAppointment Status** field value (pink-barred activity reporting folder) back to ‘ReAppointment Approved Pending HR Review’. This will alert HR that the folder is again ready for review.

6b. HR Approved

When Human Resources is satisfied with the re-appointment documents (as seen inside the pink-barred activity reporting folder), they will select ‘HR Approved’ in the **HR Approval Status** field (in the grey-barred template). This results in two actions being taken by LaserFiche:

- a. The value of the **Review-ReAppointment Status** field in the metadata of the pink-barred folder will be changed to ‘ReAppointment Approval Confirmed by HR’.
- b. A new field, named **Email Letter of Offer to Candidate** will be added to the very bottom of the grey-barred Human Resources Review template. This will be used to email the letter of offer and any enclosures to the faculty member. It will only appear after HR has registered its approval of the appointment.

7. Sending the Letter of Offer to the Faculty Member

To send an e-mail with an attached Letter of Offer and, if desired, additional attachments (enclosures) follow these steps below:

- I. Make sure that a Letter of Offer is in the pink-barred folder and that it is named:
Lastname_Firstname_ApplicantID_Letter of Offer.
- II. Ensure that documents (enclosures) you wish to send along with the Letter of Offer meet these criteria:
 - Documents should be identified in the **Letter of Offer Enclosures** field (in the gold-barred letter of offer template).
 - Documents exist within the pink-barred folder.
 - Document file names begin with the word Enclosure.
Examples: Enclosure_DepartmentProfile, EnclosureAcademicPositionDescription, etc.

Important: Any file in the pink-barred folder beginning with the word “Enclosure” will be picked up and attached to the Letter of Offer email regardless of whether or not it is mentioned in the Enclosures field in the Letter of Offer template (which writes it onto the letter). The letter of offer itself does not need to have the word “Enclosure” at the beginning of the file name.

- III. Double-check that the e-mail address for the candidate is correct in the Candidate Email Address field in the Candidate Information – Other Academic template (in the left side panel highlight the yellow-barred folder in the permanent record area).
- IV. Back in the faculty member’s pink-barred folder under *Activity Reporting, view the Human Resources Review template by putting a check mark beside the grey-barred Human Resources Review template. The template will appear in the right side panel. Scrolling down to the bottom of the template shows the previously invisible field titled “Email Letter of Offer to Candidate. (This field only became visible when the application received final approval from HR.)

Select Email Letter of Offer, and click Save. The following will occur:

- An email is sent to the faculty member. The letter of offer and any files whose file names begin with the word Enclosure will be attached.
- The same email is automatically copied to the Department Coordinator.
- The same email is automatically copied to any email addresses in the **Letter of Offer CC Email Addresses** field.

8. Collecting Signed Letters of Offer

8a: Using the New Web Form

The email that sends the letter of offer to the faculty member and the letter of offer itself instruct faculty members to use the new **Submit Signed Letter** web form to submit their signed letter of offer. The email gives the faculty member:

- The URL for the new web form (<https://documents.med.utoronto.ca/Forms/submitsignedletter>)
- Their Applicant ID number
- The spelling of their Last Name (as is recorded in LaserFiche).

UNIVERSITY OF TORONTO
FACULTY OF MEDICINE

Appointments
Submit Signed Letter of Offer

Applicant ID *
Format: an 11 digit number with no spaces

Last Name *
Appointment Candidate's Last Name

Your Email *
This is to provide you with confirmation that the files were successfully uploaded to the applicant's dossier, or to notify you if there has been an error.

Attach Signed Letter Accepted file formats: .pdf, .doc, docx, .tif, .txt, .rtf, .jpg
File names should not contain multiple spaces, commas or other special characters.

When a faculty member submits this form:

- The value of the Review-ReAppointment Status field (on the Activity Report – Status Only template associated with the pink-barred folder) is updated to Signed Letter of Offer Received.
- The signed letter of offer is stored in the faculty member's permanent dossier.

8b: Manually Importing the Signed Letter of Offer

The faculty member is required to print, sign and return the letter of offer to the Department Coordinator. They may use the web form as outlined above or they may email or fax it to the department coordinator. When the department coordinator receives a signed letter of offer in this latter fashion, they must import it into the (yellow-barred) Permanent dossier for that faculty member (not into the pink-barred folder).

Important: The pink-barred folder and all of its contents are deleted every year. Any document created by LaserFiche or submitted by a web form is automatically copied and saved to the permanent (yellow-barred) dossier. Any documents imported manually by the Department Coordinator will only be preserved if imported directly into the permanent (yellow-barred) dossier.

To import a Signed Letter of Offer into the Permanent (yellow) dossier:

- I. In the left sidebar, expand the faculty member's permanent dossier by clicking the arrow sign beside it.

Highlight the Letters of Offer subfolder. If the subfolder is not there, please contact the Discovery Commons at discovery.common@utoronto.ca and ask to have it created.

- II. At the top right side of the LaserFiche window in the menu of tools, click on the ↑ (up arrow icon), browse to select the file that will be imported and follow the directions. Disregard the prompt to assign a template (leave it as No template Assigned) and click Import. If you do not see the ↑ (up arrow icon), it is likely because the subfolder is not highlighted.

Appendix A: Loading & Configuring Columns

The column headings have been pre-set. If you lose the correct configuration of columns there are two ways to re-establish them.

Load the Saved Column Configuration

- a. In the directory tree (the left side bar), go to:
Department Name >> *Activity Reporting >> Other Academic
(highlight Other Academic and you will see pink-barred folders appear in the centre panel).
- b. Right-click on the bar containing the column headings and select Saved Columns.
- c. Select "Activity Reporting Status Only".

Configure or Edit Your Own Column Configuration and Save It.

- a. In the directory tree (the left-side panel), go to:
- b. Department Name >> *Activity Reporting >> Other Academic.
Highlight Other Academic and you will see pink folders in the centre panel.
- c. Right-click on the bar containing the column headings in the centre panel and select Column Picker.
- d. Under Selected Columns, select each unwanted field (fields that are not part of the list below) and remove it by double-clicking it.
- e. In the Available box, under the section Activity Report – Other Academic, select the desired fields by double-clicking on them one-by-one. They will appear in the Selected box.
- f. You must re-sort these fields so the list matches the list below. To sort, just drag and drop the fields up and down the Selected box.
- g. Click Apply and, if you wish, click Save Profile to save this particular column profile for re-use.

Appendix B: Configuring Columns Read-Only Portal

Configure columns for your DAC Read-only Portal

Note: If you have previously configured the columns in the Read-Only portal for your DAC to view clinical Activity Reports you may want ot

- a. Go to: <https://documents.med.utoronto.ca/appointments/>
- b. **Log in as a DAC member**
(username = dacxxx, where xxx is the same 3 digits in your own user name)
- c. Click Browse Dossiers.
- d. Click Your Department Name.
- e. Click *Activity Reporting.
- f. Click Other Academic.
- g. It might be helpful to the DAC to change the column display. To change the columns displayed, Click My Weblink in the top right-hand corner.
- h. Click Browse Options.
- i. In the dropdown menu under Browse Options, click Fields.
- j. Select the fields listed below from the left-side box and use the arrow to move them into the right-side box.
- k. Remove any fields from the right-side box that are not listed below, by using the arrow to move them to the left-side box.
- l. When completed, click Home up at the top of the screen – this saves the configuration.

Correct Order of Column Headings for the DAC Read-only Portal

- Activity Report Status SO.
- Review-ReAppointment Status.
- Academic Appointment Level.
- Rank

Appendix C: Creating Letters of Offer

When a pink-barred activity-reporting folder is initially created for a faculty member who requires re-appointment, a gold-barred Letter of Offer template is automatically inserted into the folder. You will not see this gold-barred template in activity-reporting folders where the faculty member does not require re-appointment. Use this Letter of Offer template to create one of two possible letters of offer:

- A letter for those Status Only faculty who also hold a clinical appointment.
- A letter for those who do not hold a clinical appointment regardless of whether their appointment in your department is Primacy or Concurrent.

To create a letter of offer:

- I. Put a check mark in the box beside the gold-barred Letter of Offer template to view the template fields in the right-side panel.
- II. Fill in the fields in the Letter of Offer template:

Start and End Dates: To ensure that appointment dossiers never get saved in LaserFiche without an End Date, an End Date has been automatically calculated from the current system date. This may be changed but all dates must adhere to accepted policy. If you are unsure of the date, select an estimated Start Date. This will likely need to be changed before the final version of the letter of offer is generated. The same Start and End Date fields can be seen on the Candidate Information template. If you create a letter of offer with the Letter of Offer template, the date values in the Letter of Offer template will overwrite the date values in the Candidate Information template. The reverse process is not true.

Has Clinical Academic Appointment: If the faculty member under consideration for Status Only Re-appointment also holds a clinical appointment in another department, they fall under the guidelines laid out in the *Policy for Clinical Faculty*. This is outlined in the pre-approved text of the generated letter of offer. Please select 'yes' or 'no' in this field.

Department Clinical: If the answer to the field above was 'yes', please indicate the clinical department in which the faculty member holds their clinical appointment. This will appear in the text of the letter of offer.

Primary Employer: This is the name of the site where the faculty member is supported to perform the majority of their academic duties. It is collected from the submitted activity report form and added here for your convenience. It is presumed that the faculty member's employment here has been confirmed by the department. The text may be overwritten, if necessary, but please do not enter addresses or other information – just the name of the site.

Areas of Responsibility: This text box allows a department to add a brief description of the activities expected from the faculty member during their appointment with the department. Normally, this covers activities in any combination of Teaching, Research and/or Service.

Note: The text box has a maximum character count of 600 characters. The text will appear on page 2 of the letters of offer. You may want to experiment with formatting to determine the best use of this space.

Offer Retraction Date: This is the date before which you wish to receive back a signed letter of offer. If necessary, update this field for the final version of the letter.

Letter of Offer CC: This is a free text field. Up to 4 names may be added to this field. Please put each on a separate line. This text will appear in the CC area of the actual letter.

Letter of Offer CC Email Addresses: This is not a free text field. If there are names in the Letter of Offer CC field mentioned above, it is necessary to add the associated email addresses in this multi-value field. A multi-value field means that when one email address is typed in the field box, a second box will appear immediately below the first to house the next address – do not type the email addresses all into one box as was done in the Letter of Offer CC free-text box above. These email addresses do not appear in the actual letter, they are used when the Letter of Offer email is eventually sent to the faculty member – they are inserted into the cc area of the email application.

Letter of Offer Enclosures: If LaserFiche will be used to email the re-appointment Letter of Offer to the faculty member, you may wish to attach additional documents to that email. If that is the case, you need to reference those additional documents in the text at the bottom of the letter of offer.

To make reference to any planned attachments to the letter of offer, type into this field the word 'Enclosed:' followed by the names of the documents.

For example

Enclosed:

Welcome Package

Profile Form

Important: Typing text into the Letter of Offer Enclosures field simply adds the text to the letter. It does not control whether those documents actually exist in the pink-barred folder and are therefore available for attachment to the email.

Any documents mentioned in this field need to be uploaded to the pink-barred folder before the final version of the letter is sent AND the file names of these additional documents need to begin with the word Enclosure.

examples: Enclosure_DepartmentProfile.docs

EnclosureWelcomePackage.pdf

- III. Once the fields are filled in, change the **Letter of Offer Status** field at the top of the Letter of Offer template to 'Create Letter of Offer' and click Save. A letter of offer will be generated and the **Letter of Offer Status** field will revert to 'Edit Mode'. This allows you to make changes to the fields, select 'Create Letter of Offer' again, and re-generate the letter.
- IV. Refresh the screen and look back in the middle panel. You will see a new .pdf document has appeared in the dossier having a file name format of: 'Lastname_Firstname_ApplicantID_Letter of Offer'
- V. Double click this .pdf file to open it and review the letter. Always review the letter before sending it.

❖ Making Changes to a Letter of Offer:

If you need to make changes to the editable field values in a letter of offer (i.e., you want to edit the **Areas of Responsibility** or the **Candidate Mailing Address**), you need to change the field values in the templates from which the data is pulled. The letter of offer workflow pulls field values from either the Candidate Information template (associated with the yellow-barred permanent folder for the faculty member) or from the Letter of Offer template which is in the pink-barred activity reporting folder. Look in either of these to determine where to make your desired changes. For example, Candidate Mailing Address is found in the template associated with the yellow-barred permanent dossier for this faculty member. Highlight the yellow-barred permanent dossier on the left to view the template on the right.

Once the changes are saved, change the Letter of Offer status back to Create Letter of Offer and click Save. Go back to the middle panel and refresh the screen. The revised Letter of Offer will have immediately overwritten the previous one.

❖ Department Address and Chair's Name and Email:

The department address that appears in the footer of the first page of each letter of offer and the Department Chair's name and title, which are added to the salutation of the letter, are stored in a database located on the LaserFiche server. Department Coordinators do not have access to this database.

If this information needs to be edited please send an email request to discovery.common@utoronto.ca.

Appendix D: Text of Automated Emails

1. Faculty Email Request – ANNUAL REVIEW, NO ADDED ATTACHMENT

Subject: Activity Report Required – [Faculty First/Last Name], [Department Name]

Dear [First Name] [Last Name],

Thank you for your contributions to the Faculty of Medicine (FoM). You are receiving this email as a result of a new automated **annual review** process that is being implemented for all status-only faculty across the Faculty of Medicine. This request is being sent by the [Department Name], the department in which you hold your primary status-only academic appointment.

University guidelines require status-only faculty to report their academic activities on an annual basis. The activity report, available at the link below, is intended to summarize your academic activities for the last academic year, including any anticipated activities that may occur prior to June 30th of this year.

The activity report should take no more than 10-15 minutes to complete.

Once submitted, your activity report will be reviewed by the [Department Name] and any additional FoM departments in which you hold a concurrent status-only academic appointment. This activity report may also be shared with your Hospital/Research Institute, if applicable. If you do not hear from the [Department Name] or any other FoM Departments in which you hold additional status-only appointments by June 30th of this year, your appointment will remain active.

If you have been unable to actively participate in academic activities this past year due to personal reasons, please advise your Department Coordinator.

Please note that you will require the following information to successfully submit your activity report:

- Your Appointment ID: [Appointment ID #] (please copy and paste into the activity report)
- Your Last Name: [Last Name] (please copy and paste into the activity report)

To proceed with the annual review process, visit the link: [link]

Submission Deadline: May 01, 2017

If we have yet to receive your completed activity report, you may be receiving this notification for a second time. Please note that we are unable to proceed with your annual review until your activity report is submitted. Questions can be directed to the Department Coordinator at [Department Coordinator Email].

Thank you very much for taking the time out of your busy schedule to address this matter.

2. Faculty Email Request – ANNUAL REVIEW, ADDED ATTACHMENT

Subject: Activity Report Required – [Faculty First/Last Name], [Department Name]

Dear [First Name] [Last Name],

Thank you for your contributions to the Faculty of Medicine (FoM). You are receiving this email as a result of a new automated **annual review** process that is being implemented for all status-only faculty across the Faculty of Medicine. This request is being sent by the [Department Name], the department in which you hold your primary status-only academic appointment.

University guidelines require status-only faculty to report their academic activities on an annual basis. The activity report, available at the link below, is intended to summarize your academic activities for the last academic year, including any anticipated activities that may occur prior to June 30th of this year.

The activity report should take no more than 10-15 minutes to complete.

IMPORTANT: The [Department Name] requires its status-only faculty to provide documentation in addition to the online activity report. Please refer to any departmental attachment included in this email for further instruction. Following completion of the activity report, available at the link below, you will be prompted to attach the required additional departmental document(s).

Once submitted, your activity report and attachment will be reviewed by the [Department Name] and any additional FoM departments in which you hold a concurrent status-only academic appointment. This information may also be shared with your Hospital/Research Institute, if applicable. If you do not hear from the [Department Name] or any other FoM Departments in which you hold additional status-only appointments by June 30th of this year, your appointment will remain active.

If you have been unable to actively participate in academic activities this past year due to personal reasons, please advise your Department Coordinator.

Please note that you will require the following information to successfully submit your activity report:

- Your Appointment ID: [Appointment ID #] (please copy and paste into the activity report)
- Your Last Name: [Last Name] (please copy and paste into the activity report)

To proceed with the annual review process, visit the link: [link]

Submission Deadline: May 01, 2017

If we have yet to receive your completed activity report, you may be receiving this notification for a second time. Please note that we are unable to proceed with your annual review until your activity report is submitted. Questions can be directed to the Department Coordinator at [Department Coordinator Email].

Thank you very much for taking the time out of your busy schedule to address this matter.

3. Faculty Email Request – RE-APPOINTMENT, NO ADDED ATTACHMENT

Subject: Re-Appointment & Activity Report Required – [Faculty First/Last Name], [Department Name]

Dear [First Name] [Last Name],

Thank you for your contributions to the Faculty of Medicine (FoM). You are receiving this email as a result of a new automated **re-appointment** process that is being implemented for all status-only faculty across the Faculty of Medicine. This request is being sent by the [Department Name], the department in which you hold your primary status-only academic appointment.

University guidelines stipulate that status-only academic appointments must be for a fixed term and formally renewed prior to the end date. Status-only faculty are also required to report their academic activities on an annual basis. The activity report, available at the link below, is intended to summarize your academic activities for the last academic year, including any anticipated activities that may occur prior to June 30th of this year.

The activity report should take no more than 10-15 minutes to complete.

Once submitted, your activity report will be reviewed by the [Department Name] and any additional FoM departments in which you hold a concurrent Status-only academic appointment. This activity report may also be shared with your Hospital/Research Institute, if applicable. If your submission for the consideration of re-appointment is supported by the relevant Department Chair(s), review and approval must then be granted by the Faculty of Medicine. Following a successful review of your re-appointment submission, you will be contacted by the Department with a new status-only academic appointment letter of offer, normally no later than June 30th of this year.

If you have been unable to actively participate in academic activities this past year due to personal reasons, please advise your Department Coordinator.

Please note that you will require the following information to successfully submit your activity report:

- Your Appointment ID: [Appointment ID #] (please copy and paste into the activity report)
- Your Last Name: [Last Name] (please copy and paste into the activity report)

To proceed with the re-appointment process, visit the link: [link]

To decline re-appointment, visit the link: [link]

Submission Deadline: May 01, 2017

If we have yet to receive your completed activity report, you may be receiving this notification for a second time. Please note that we are unable to proceed with your annual review until your activity report is submitted. Questions can be directed to the Department Coordinator at [Department Coordinator Email].

Thank you very much for taking the time out of your busy schedule to address this matter.

4. Faculty Email Request – RE-APPOINTMENT, ADDED ATTACHMENT

Subject: Re-Appointment & Activity Report Required – [Faculty First/Last Name], [Department Name]

Dear [First Name] [Last Name],

Thank you for your contributions to the Faculty of Medicine (FoM). You are receiving this email as a result of a new automated **re-appointment** process that is being implemented for all status-only faculty across the Faculty of Medicine. This request is being sent by the [Department Name], the department in which you hold your primary status-only academic appointment.

University guidelines stipulate that status-only academic appointments must be for a fixed term and formally renewed prior to the end date. Status-only faculty are also required to report their academic activities on an annual basis. The activity report, available at the link below, is intended to summarize your academic activities for the last academic year, including any anticipated activities that may occur prior to June 30th of this year.

The activity report should take no more than 10-15 minutes to complete.
